Capital Imaging listserv instructions:

A/E Consultant Projects
Capital Imaging website

Available work opportunities are posted on the Capital Imaging website. There is no pre-qualification process to bid on our public jobs. Join the listserv to receive notification when a job is posted so you can bid on it if you desire.
Register

- In order to receive email notifications from our office on future projects, you will need to register to our listserv. For your convenience, we have provided detailed instructions complete with diagrams on how to register your company to be added to our listserv. Remember, it is important to keep contact information updated in order to receive the notifications. If you or someone from your company’s information changes, i.e., leaves the company, email address change, or name change, you must contact our office so that we can update the listserv.

- If you need assistance feel free to contact the IPF Engineering and Architectural Services office at (517) 355-3372.
