TITLE OF PROJECT: Fee Hall - Renovations to Room C110

PROJECT ISSUE DATE: August 19, 2024

PROJECT NUMBER: CP24012

ADDENDUM NO: 01

GENERAL

This Addendum is issued prior to receipt of Proposals to amend the Contract Documents identified as Fee Hall - Renovations to Room C110.

Except as otherwise specifically mentioned, the general character of the work required by this Addendum shall be the same as originally specified, and all incidentals required in connection with the work hereinafter described shall be included even though not specifically mentioned. When an item is mentioned with additional specifications given, reference shall be made to the original specifications.

Drawing(s) accompanying this Addendum include: N/A

No drawings accompany this Addendum

<u>ITEM NO.</u>	<u>DESCRIPTION</u>
1	Carpet add alternate. Please price out replacing all existing carpet. If the carpet is replaced, replace it with the same style currently in the suite. A. That would be the Mohawk Group Academic View Carpet in the color Slate. https://www.mohawkgroup.com/products/soft-surface/detail/BT433/Academic_View?cc=959&cn=Slate&size=2424
2	Glass Frosting question - To cover the windows in the 2 nd Interior Elevation, we would like a frosted gradient 50" - 60" tall. A. Here is an option from 3M: https://www.3m.com/3M/en_US/p/dc/v101425000/
3	Finish on new wood wall - The Acoustic Slat Wood Wall comes prefinished. Please use the 'natural' pre-finish.
4	New interior door finish - Stain new doors to match existing laminate door that is being saved in the Dean's office exiting the corridor.
5	Redoing laminate in Dean's office over the heat registers - Use Wilsonart Misted Zephyr 4843 for laminate to match. A butt joint seam is acceptable if this color matches. If laminate cannot be exactly matched, re-laminate the entire sill in this color.
6	Corridor Mural –. Install new corridor door and sidelights as shown. Patch and prep adjacent for replacement mural by others.

- 7 Corridor side of filling in the existing doors – Where existing corridor walls are infilled, patch terrazzo base to match existing. Provide sample or in place preliminary patch for owner approval.
- 8 Is standard Aluminum storefront acceptable or do we have to do Nxtwall system for new offices - Painted hollow metal in SW Pourpoise would be acceptable. Typically, a Nxtwall system would end up being the same cost.
- 9 Need details on partial height frosted vinyl to inside of glass - Have the frosted glass vinyl 50"-60" tall. This will allow for more privacy in the office while still allowing to see any visitors.
- 10 Will an air admittance valve be acceptable for the new kitchen sink – Yes, this is acceptable to MSU.
- 11 Attachment: Pre-bid walk-thru sign-in sheet from 9/4/2024

End of Addendum
