| 2 | Question from potential proposer: Is the kickoff meeting date of October 2, 2025, able to change. Response: No. |
| 3 | Question from potential proposer: Can a proposer tour the existing facility? Response: No. |
| 4 | Question from potential proposer: Would it be possible to see the ISES facilities assessment of the CVM from 2019. Response: This information will be shared with the contracted team. |
| 5 | Question from potential proposer: Could you please clarify what is meant by “a |

condensed A3 format” described on page 2? The statement requests that Sections 1–4 be submitted in a condensed A3 format, which we might interpret as a request to respond to all four sections on one A3 page. However, Section 4 specifies up to five projects, one page per project (up to five pages). ***Response: Each section should have its own dedicated page in an A3 format. For each example project, submit one page in an A3 (up to five pages for up to 5 projects).***

- 6 Question from potential proposer: Can you please confirm that a fee proposal is not requested at this time, only hourly rates as described on page 7, section 5?
Response: Only hourly rates. A fee proposal is not required.
