

CAUTION:

OUR PLUMBERS ARE GREAT, BUT THESE ARE

SENSITIVE *important* PIPES

TOILET PAPER ONLY

All other materials need to be placed in nearby trash bins.

Wipes of any kind are NOT flushable.

- *Wipes don't break down like toilet paper*
- *Can cause clogs and blockages*
- *Blockages cause outages and closed restrooms*
- *Damage may lead to backups and costly repairs*

important

For additional information

"Flushable wipes are, technically, flushable, the same way you can technically swallow a wad of chewing gum." - Lindsay Fogarty, writer for Consumer Reports
